## ASSESSMENT CRITERIA

We will assess your progress as follows:

Students must take two term tests:

- January
- May

When you are assessed, your teacher will take into account these tests and any type of exercise or test performed during the year, either use of English exercises, oral interaction in class, writings, etc.

In order to pass the year you must get an **average mark of 6.5**. This mark will be calculated only if you get at least 5 in each of the skills (reading, listening, writing, speaking and mediation).

If you do not pass the year in May, you will have a second chance by the end of June.

## SCHOOL ATTENDANCE

Attendance is mandatory. Students with 15% of absences to class will lose schooling rights.

The loss of schooling rights involves: losing the right to attend the classes and continuous assessment. Likewise, the student will also lose their priority in enrollment. However, the student will have the right to take the final exam in May or June.

## SCHOOL RULES

Mobile phones will only be used for academic purposes in class. You are not allowed to take pictures of the exams.
